Members are advised that by placing your membership card into the **Turbo System** results in automatic participation in the **Flamingo Rewards Scheme**. Bonus points are earned by the amount of turnover generated whilst playing the poker machines. These points can be redeemed for prizes from the Flamingo Showcase. Members who do **not** wish to participate in this reward scheme should **not** place their Membership Card into the turbo console whilst playing machines.

Members should also be aware that **Player Activity Statements** are available and should contact the **Gaming Manager or Duty Manager** for more information.
